# Testimonials

“

My favourite part about ThinkPlus is the personal mentoring that they offer. In just a short span, their guidance and support has played a key role in reshaping my outlook and also instilled newfound confidence in me. So Thank you ThinkPlus for not only helping me to overcome my insecurities but also foster self-discovery.

“

Mentoring at ThinkPlus, particularly connecting with IIM Rohtak students, lit my path to success. Their focus on mentoring is truly remarkable.

ThinkPlus also excelled in helping me improve my verbal ability scores – a challenge they tackled with unmatched expertise and activities like Readathon

“

Think plus has helped me improve my overall performance in the interview rounds. They conducted multiple mock interviews and gave me honest pointers which helped me reevaluate my answers and come up with better ones. Everyone one in the institute was super cool and helpful.

“

Despite scoring 54/100 in math in class 12 and having a fear of the subject, ThinkPlus' 99 Concepts changed everything. Understanding the background of each concept helped me solve problems without relying on formulas. With ThinkPlus, I cleared IPMAT Indore, IPMAT Rohtak, and JIPMAT.

Besides , classroom session and concept explanation, there were many mock tests conducted and they even helped me in analysing them, which helped me a lot. Besides everything, the doubt clarification and personal attention are the best parts.
